

CC PODCAST FAQs

WHERE CAN I LISTEN TO THE PODCASTS PRESENTED BY CLASSICAL CONVERSATIONS®?

You can listen to our shows wherever you stream podcasts, including Apple Podcasts, Google Podcasts, Amazon Music, and Spotify.

WHO PRODUCES THE PODCASTS?

Refining Rhetoric with Robert Bortins, Blessings and Motherhood, and Everyday Educator are productions of Classical Conversations, Inc. Global Homeschool Minute, on the other hand, is created by Classical Conversations International.

WHY ARE THERE FOUR SEPARATE CLASSICAL CONVERSATIONS PODCASTS?

Great question! Each of our podcasts focuses on a different audience or centers around a unique theme. While dads are welcome to tune in to Blessings and Motherhood, this show is focused on equipping and encouraging moms on their parenting journey with practical Scripture and inspiring stories. Alternatively, both homeschool moms and dads will find practical advice on episodes of Everyday Educator. If you're interested in what's going on in homeschooling around the world, you'll find inspiration on Global Homeschool Minute. Finally, the episodes of Refining Rhetoric stretch a broad horizon of topics related to faith, education, business, and culture that we hope all can enjoy.

DO THE VIEWS OF PODCAST GUESTS REPRESENT THE VIEWS OF CLASSICAL CONVERSATIONS?

Not always, no. At Classical Conversations, we believe it's important to have conversations with those we don't always agree with so that both parties can be challenged to seek truth, beauty, and goodness. Thus, not all guests welcomed on our podcasts share similar values, beliefs, and ideas as those represented by Classical Conversations.

WHERE CAN I VIEW THE RESOURCES MENTIONED IN AN EPISODE?

You're looking for the show notes! In your podcast app of choice, just check the episode description for a link to the resources listed on that podcast's website. If a link to show notes is not available, it's because we are still working on adding them for that show.

HOW CAN I LEAVE A REVIEW?

If you want to leave a review of one of our podcasts, Apple Podcasts is the best place to do that. Just search for and select the specific show, and then click "Write a Review." You can also rate the show on Spotify by clicking the three dots icon on the show's page and selecting "Rate show."
